Get Started With Coherus COMPLETE™

The Coherus COMPLETE™ Provider Portal provides a single repository for all patient support programs with streamlined electronic services to ease the administrative burden.

Once your patient is enrolled you have access to all of the patient access services and the ability to connect with a Patient Access Specialist when needed.

The first step is to register your office for a secure account on the portal.

**STEP 1**
On a computer or device, log onto CoherusCOMPLETE.com. Click the orange Enroll Now button.

**STEP 2**
Click on the Sign Up button on the upper right corner of the page.

**STEP 3**
Select the type of registrant to initiate registration.

**STEP 4**
Complete the form Enter account details completely and accurately. Click Continue.

**STEP 5**
Once the registration is complete, you will receive an email confirming your registration. You can then access the portal’s services and features.

**STEP 6**
Within 1-2 business days you will receive a Welcome Call from a Coherus COMPLETE Patient Access Specialist.

Call our Coherus COMPLETE™ Patient Access Specialists with any questions, at 1-844-483-3692.
Enrolling Patients in the Coherus COMPLETE™ Program

Once your office or site registers for an account, you can start enrolling patients for support services through the Coherus COMPLETE™ Portal.

The process to enroll a patient in the Coherus COMPLETE™ Program is simple.

**STEP 1**
After your login, select **Patient Enrollment** from the Dashboard or the left panel.

**STEP 2**
Under the **Select a Patient** heading, click the **New Patient** button.

**STEP 3**
Select the patient’s office and provider. Click **Continue**.

**STEP 4**
Complete the patient’s information under **Enter Patient Information**.

**STEP 5**
Select the product the patient has been prescribed.

**STEP 6**
Select the services requested for the patient.

**STEP 7**
Enter all the requested information, which will vary based on the services requested. Requested information may include, but is not limited to, the patient’s insurance information, diagnosis, and prescribing physician information.

Coherus reserves the right to change the terms and conditions of the Coherus COMPLETE™ program at any time without notice.

Users will only be able to see patients associated with physicians and/or facilities where they have permissions.
